

## Sector Skills Council: Energy and Utility Skills

<b>Website</b>	www.euskills.co.uk
<b>Footprint – areas of responsibility</b>	electricity, gas, waste management and water industries.
<b>Key Drivers and/or SSC priorities</b>	<p>To meet EU Skills purpose, the company has established 5 key strategic objectives. They are:</p> <ol style="list-style-type: none"> <li>1. To establish EU Skills as the recognised expert for skills issues within the sector for employers, employees and stakeholders.</li> <li>2. To create a comprehensive suite of skills delivery programmes to meet main industry needs.</li> <li>3. To develop and promote career pathways to support the recruitment of people across all entry levels into the sector.</li> <li>4. Ensuring employers' needs are met by good quality training provision with adequate geographical coverage and capable of meeting different learning styles.</li> <li>5. Develop and implement a sustainable business model beyond initial licence period.</li> </ol>
